Dear Friends:

At a time of such great loss to Poland and the Polish community, the National Congress of Italian Canadians-Toronto District, its Board of Directors and our membership would like to offer our sincere condolences for the tragic loss of your President, Lech Kaczynski, his wife and the dozens of high level countrymen that were on the plane during that fatal flight.

It is hard for us to comprehend the reasons such tragedies occur but at this time of great sadness, please know that your country, its people and the Polish Canadian community is in our thoughts and prayers.

Yours Very Truly,

National Congress of Italian Canadians-Toronto District

Michael Tibollo
President
